MAIL STOP MISSING PARTS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On October 21, 2004, Applicant filed a Response to Notice to File Missing Parts, which included the submission of a Verified English language translation of the application filed on March 3, 2004 in the Japanese language. A copy of the date stamped filing receipt is also enclosed.

Today, the undersigned representative realized that the wrong translation of the application was filed on October 21, 2004 with the Notice to File Missing Parts. The application that was filed on October 21, 2004 was meant to be filed as a continuation-in-part of the present application (herein referred to as the "CIP Application"). Accordingly, Applicant encloses herewith a verified English translation of the application that was filed on March 3, 2004 in the Japanese language, and respectfully requests that the enclosed application be substituted for the CIP Application that was filed on October 21, 2004.

In addition, Applicant also inadvertently filed the Declaration and Power of Attorney and executed Assignment forms that were meant to be filed with the CIP Application. Accordingly, Applicant submits herewith new Declaration and Power of Attorney, executed Assignment forms and PTO Form 1595.
